Jan Nayak Choudhary Devi Lal Memorial College of Pharmacy

Barnala Road, Sirsa – 125056 (Haryana)

Affiliated to Pt. B.D. Sharma University of Health Sciences, Rohtak/
HSBTE, Panchkula

Approved By PCI & AICTE, New Delhi

in collaboration with
Association of Pharmaceutical Teachers of India (APTI)
organizing

International Conference

on

"Recent Developments, Regulatory Challenges, Design & Formulation of Future Therapeutics"

25-26 March, 2023

About the Institute

Established in 2003, JCDM College of Pharmacy is a pioneer institute in providing Pharmaceutical Education in North India. The college offers M. Pharmacy, D. Pharmacy, B. Pharmacy and programs approved by AICTE & PCI, New Delhi. The college is affiliated to Pt. B. D. Sharma University of Health Sciences, Rohtak & Haryana State Board of Technical Education, Panchkula. Pharmacy programs at JCDM College of Pharmacy are grounded in continuous quality improvement with greater emphasis on the integration of strong science foundation with professional skills required for successful pharmacy practice.

JCDM College of Pharmacy embodies spirit of community in which cooperation, trust and mutual respect are valued elements. The college has excellent infrastructure, experienced faculty with Ph.D qualifications, Well equipped Pharmaceutics, Medicinal Chemistry, Pharmacology and Pharmacognosy laboratories of International standards as per the norms of AICTE and PCI, New Delhi. Major facilities available at JCDM College of Pharmacy include Nanomedicine Centre, Central instrumental facility (CIF), Medicinal Garden, Animal House, Museum etc. The major thrust areas of research activities being carried out in the college are Nanotechnology based Drug Delivery, Molecular Modelling in Drug Design, Medicinal Chemistry, Pharmacology of various therapeutic targets and Photochemistry.

About the Conference

The focus of the conference will be on the topics related to development and regulatory guidelines of future therapeutic agents. Various scientists, academicians and industry professionals from all over the country and also from abroad will participate in the conference. The scientific session will include talks and lectures by eminent speakers on the topics of research and development in the field of pharmaceuticals. This conference will give a platform for academia-industry interactions and for scientists and researchers to share their ideas and views on drug development and their regulations.

About APTI

An association found by the pioneers of Pharmacy education in India in 1966 by leading personalities like Prof. M. L. Schroff, Prof. G. P. Srivastava and others, has come a long way in creating better intercommunication and promotion of excellence in pharmacy education. Through its tailor-made mission and objectives, the association has provided a single platform in bringing together teachers of pharmacy education from all over the country. This has helped in the achievement of excellent standards and to develop new technological methods in pharmacy education through the exchange of views amongst the teaching members. The emergent world today, with unbelievable sophistication under its belt, demands for technically sound and highly knowledgeable pharmacists. The contribution of a teacher is thereby quite demanding. A Teacher apart from being an educator also contributes to science as a researcher, helps in business development as a consultant to pharmaceutical industry and also creates social awareness as a community pharmacist.

Call for Abstracts

- Delegates can submit their abstracts by e-mail at conference2023jcdmcp@gmail.com before **22nd March 2023** for poster /e-poster presentation.
- The abstract should be prepared in MS word not exceeding 200 words and should be prepared in **Times New Roman**.
- Title should be in bold (font size 14) followed by full names of authors along with their affiliations in font size 12.
- The name of presenting author should be marked with asterisk along with e-mail address.
- Awards will be given to the winner participants of poster presentations.

Conference Topics

- Recent Drug development
- Regulatory guidelines and pharmaceuticals
- Novel drug delivery systems
- Computer aided drug design
- Molecular modelling
- Leads from natural products
- Novel techniques in drug delivery

Guidelines for Poster/E-Poster Presentation

- The Poster should be structured into introduction, method, results, discussion, Conclusion & references.
- The size of the poster should be 120 cm by 90 cm
- The Content of E-Poster should be clearly visible even on mobile device.
- E-Poster will be evaluated via online call.

Who can participate?

- Graduate and post graduate students
- Research Scholars
- Industry Professionals
- Academia Persons

Special Attractions

- Cultural Night
- Invited Talks by Eminent Scientists
