Health Sciences, Rohtak

DIRECTOR GENERAL'S WELCOME MESSAGE

It is a universal truth that the quality of a nation depends upon the quality of its education. With this vision Jan Nayak Ch. Devi Lal Vidyapeeth was established in the year 2002 under the aegis of Ch. Devi Lal Memorial Trust headed by its President Ch. Abhay Singh Chautala. In an effort to develop JCDV into a 'Centre of Excellence* we seek and strive for the inculcation of humanitarian values among the students in order to realise the ideals of peace, harmony, fraternity and equality in the society and promote national integration.

Further, I am committed to provide a vibrant environment most conducive to the process of teaching and learning which results not only in increased productivity but also fosters camaraderie and institutional spirit. I believe that JCD Vidyapeeth under the Chairmanship of Sh. Arjun Singh Chautala, will produce scholars, managers, professionals and policy makers who will exhibit superior work-ethics, high commitment, impervious focus, extraordinary decisiveness, strong persistence and positive attitude. I am sure that the students passing out from JCDV shall prove to be an asset to the nation by demonstrating strong academic performance. I wish all the colleagues engaged in the task a grand success.

**Prof. Dr. Kuldip Singh Dhindsa
Director General, JCDV**

PRINCIPAL'S WELCOME MESSAGE

Welcome to JCDM College of Pharmacy which was established in the year 2003. Our college is duly approved by AICTE & PCI and affiliated with Pt. B.D. Sharma University of Health Sciences, Rohtak/HSBTE Panchkula JCDM College. The institute has a glorious standing of 17 years and continues to evolve as the most reputed Pharmacy College in Haryana having the best instrumental facilities in Northern India. The Institute of Pharmacy has an excellent infrastructure with all the sophisticated and ambident research atmosphere, international standards, highly qualified, and dedicated faculty and staff, who are committed to providing an outstanding educational experience to the students. The faculty members contribute substantially to the academia through quality teaching, publications, seminars conferences, etc. of Pharmacy has established itself to be a centre of excellence in Pharmaceutical Sciences in North India and provide a multidisciplinary, excellence of multifaceted curriculum involving the study of the discovery of new drug molecules to its evaluation, development, approval for human consumption, manufacturing, and every other important aspect.

A number of companies are visiting the campus for placements. The placement cell is in constant contact with the leading industries. I believe that any student of our institute will never face any difficulty to get employment as well as the opportunity for higher studies.

At JCDM College of Pharmacy, you will learn new concepts, unlearn few, widen your horizons, apply your minds, explore your talents and take up a social responsibility to improve the healthcare system and ultimately become an ethical professional and responsible citizen. So my dear students utilize your college days to create a solid foundation of knowledge to be a technically competent professional and healthcare provider.

Here's wishing you a very happy and healthy career in Pharmacy.

At last, I would conclude with this quote:

**“Watch your thoughts, they become words,
Watch your words, they become actions,
Watch your actions, they become habits,
Watch your habits, they become character,
Watch your character, it becomes your destiny”**

**– Dr. Anupama Setia
Principal, JCDM College of Pharmacy**

ABOUT US

High-tech well-equipped labs serve as a strong framework for our graduates to help them develop capabilities to become world class pharmacists and scientists. Important in-house projects and research work is taken-up in the labs that is academically as well as socially productive.

DISTINCTIVE FEATURES

- Received Research Grants worth Rs. 70 Lacs from AICTE & SERB, DST.
- Best Instrumental facilities in Northern India. List includes HPLC with UV-VIS and PDA detectors, FTIR, DSC, Lyophilizer, UV-VIS spectrophotometer, Refrigerated centrifuge, Flash chromatograph, Dissolution Apparatus (6-basket), Rotary evaporator, high speed homogenizer, 16-station tableting machine etc.
- Publications: International -40 (In High Impact Journals with more than 200 citations), National-05 Seminar/Conference Paper presentations: International - 06, National - 45

COURSES OFFERED

D.PHARM
2 Years Program

B.PHARM
4 Years Program

M.PHARM
2 Years Program

B.PHARMACY

- PHARMACEUTICAL SCIENCES

M.PHARMACY

- PHARMACEUTICS
- PHARMACEUTICAL CHEMISTRY
- PHARMACEUTICA REGULATORY AFFAIRS

WHY CHOOSE US?

OUR FACILITIES

- One of the best institutes in providing pharmaceutical education in North India
- Highly sophisticated labs equipped with modern instruments
- Dedicated, experienced & vibrant faculty
- Quality education with industrial visits
- World class infrastructure
- Lush green campus
- Herbal garden with plants of medical value
- CPCSE approved animal house
- Hostel facilities for boys & girls
- Scholarships to meritorious students
- Multi-cultural learning environment
- Excellent research facilities
