Welcome to JCDM College of Pharmacy which was established in the year 2003. Our college is duly approved by AICTE & PCI and affiliated with Pt. B.D. Sharma University of Health Sciences, Rohtak/HSBTE Panchkula JCDM College.

The institute has a glorious standing of 21 years and continues to evolve as the most reputed Pharmacy College in Haryana having the best instrumental facilities in Northern India.

The Institute of Pharmacy has an excellent infrastructure with a sophisticated and ambident research atmosphere, international standards, and highly qualified, and dedicated faculty and staff committed to providing an outstanding educational experience to the students.

The faculty members contribute substantially to the academia through quality teaching, publications, seminars conferences, etc. of Pharmacy has established itself to be a centre of excellence in Pharmaceutical Sciences in North India and provides a multidisciplinary, excellent multifaceted curriculum involving the study of the discovery of new drug molecules to its evaluation, development, approval for human consumption, manufacturing, and every other important aspect.

Many companies are visiting the campus for placements. The placement cell is in constant contact with the leading industries. I believe that any student of our institute will never face any difficulty getting employment and the opportunity for higher studies.

At JCDM College of Pharmacy, you will learn new concepts, unlearn few, widen your horizons, apply your minds, explore your talents and take up a social responsibility to improve the healthcare system and ultimately become an ethical professional and responsible citizen. So my dear students utilize your college days to create a solid foundation of knowledge to be a technically competent professional and healthcare provider. I wish you a very happy and healthy career in pharmacy.

At last, I would conclude with this quote:

“Watch your thoughts, they become words,
Watch your words, they become actions,
Watch your actions, they become habits,
Watch your habits, they become character,
Watch your character, it becomes your destiny”
